The purpose of a minimum of \$300 deposit is to insure the Buyer's intent to purchase the above described cat/kitten. This cat/kitten will be held for the *Buyer* once the deposit is received and payment cleared. The deposit will not be refunded if Buyer is unable or decides not to take the kitten. If a cat/kitten is held specifically for a *Buyer*, a change of mind can quite often jeopardize the chance for a particular kitten that has been held back for the Buyer to be placed in a home while still at a desirable young age. Therefore deposits are not refundable.

If the Seller becomes aware of something about the *Buyer* that would make the potential home for the kitten undesirable, the Seller retains the right to cancel the sale and will refund the deposit to the *Buyer*. Examples of reasons for canceling the sale would include, but is not limited to animal abuse charges, hoarding, or intent to breed a kitten sold as a pet or show without rights given by Seller. The kitten will be cared for by the Seller until pick-up date (approximately 10-12 weeks of age).

Personal checks are accepted for deposit only. Balance due with cash or paypal; incurs a 3% handling fee. If the Buyer elects to pay the balance with a personal check or money order, the cat/kitten will be released to the Buyer once payment has cleared.
